SUBMISSIONS TO 28<sup>TH</sup> CONGRESS OF THE UNION OF THE EUROPEAN PHONIATRICIANS (UEP) AND 22<sup>ND</sup> CONGRESS OF SOCIEDAD MÉDICA ESPAÑOLA DE FONIATRÍA (SOMEF)
BILBAO 2016

## **TABLE OF CONTENTS**

| VI <i>P</i> | AIN TOPICS  | 1    |
|-------------|---|------|
|             | MAIN TOPIC  |      |
|             | AUDITORY DEPRIVATION AND DEVELOPMENT  |      |
| 1           | LANGUAGE ACQUISITION IN THE EARLY PHASE AFTER COCHLEAR IMPLANTATION IN INFANTS          |      |
| 1           | LOOKING FOR THE AUDITORY CRITICAL PERIOD IN CASES OF SEQUENTIAL BILATERAL COCHLEAR      |      |
|             | IMPLANTATION IN CHILDREN  |      |
| - 1         | DEVELOPMENT OF LANGUAGE AND SPEECH PERCEPTION AS A FUNCTION OF AGE AT COCHLEAR          |      |
|             | IMPLANTATION  | 8    |
| - 1         | MAIN TOPIC  |      |
| - 1         | EARLY SENSORY DEPRIVATION   | 8    |
| 1           | ELECTROPHYSIOLOGICAL CHANGES IN THE MATURATION OF THE AUDITORY SYSTEM IN THE MAN        | 8    |
| ;           | SINGLE-SIDED DEAFNESS AFFECTS BINAURAL INTERACTIONS                                     | 9    |
|             | CROSSMODAL PLASTICITY AFTER HEARING DEPRIVATION   |      |
|             | SINGING VOICE IN CHILDREN CHOIRS: A CHALLENGE FOR PHONIATRICS                           |      |
|             | PERCEPTION AND VOICE QUALITY AFTER SOME SEMIOCCLUDED VOCAL TRACT EXERCISES IN SINGE     |      |
|             |   |      |
| - 1         | MAIN TOPIC  |      |
|             | PHONOSURGERY  |      |
|             | PHONOSURGERY OF SULCUS  |      |
|             | OFFICE-BASED PHONOSURGERY   |      |
|             |   |      |
|             | OUND TABLES   |      |
|             | ROUND TABLE   |      |
|             | DEGLUTITION AND DYSPHAGIA   |      |
|             | FLEXIBLE ENDOSCOPIC VS. VIDEOFLUOROSCOPIC EVALUATION OF SWALLOWING                      |      |
| ı           | DYSPHAGIA IN NEURODEGENERATIVES DISEASES  | . 13 |
|             | HEAD AND NECK SURGERY. SWALLOWING RESEARCH  |      |
|             | ROUND TABLE   |      |
|             | PHONIATRICS AND REHABILITATION. A COMMON GOAL   |      |
|             | SOREFON SURVEY: FONIATRICS IN REHABILITATION SERVICES                                   |      |
| ı           | PHYSICAL MEDICINE AND REHABILITATION PHYSICIAN'S ROLE IN PHONIATRIC DISEASES OF CEREBR. | ΑL   |
|             | PALSY   |      |
| ı           | ROUND TABLE   | . 1  |
|             | INSTRUMENTAL EXPLORATION OF THE VOICE   | . 1  |
| - 1         | AN OPTICAL METHOD TO STUDY THE CHARACTERISTICS OF THE PATIENTS' BREATHING WITH          |      |
|             | DISORDERS OF VOICE  | . 1  |
|             | ACOUSTIC ANALYSIS OF VOICE USING INVERSE FILTERING                                      |      |
|             | CLINICAL APPLICATIONS OF THE BIOMECHANICAL ANALYSIS OF PHONATION                        |      |
| - 1         | ROUND TABLE   | . 17 |
| I           | MISCELLANY 1  | . 17 |
| - 1         | DOES LONGTERM-TONGUE PIERCING AFFECT SPEECH?  | . 17 |
| ;           | STUTTERING, DAF (DELAYED ALTERED FEED-BACK) - FAF (FRECUENCY ALTERED FEED-BACK) AIDS    | . 17 |
| -           | TRANSGENDER VOICE PRODUCTION AND PERCEPTION   | . 18 |
| - 1         | FEMINIZATION OF THE VOICE. SURGICAL TREATMENT   | . 18 |
| - 1         | ROUND TABLE   | . 18 |
| I           | MISCELLANY 2  | . 18 |
| ;           | STATUS OF PHONIATRICS IN THE DIFFERENT COUNTRIES ON BASIS OF NATIONAL UEP COORDINATO    | RS   |
|             | REPORTS AND RESULTS OF THE UEP SURVEY 2015/2016 ON THE ROLE AND ACTIVITIES OF           |      |
|             | PHONIATRIC MEDICAL SPECIALISTS IN THE FIELD OF VOICE DISORDERS                          | . 18 |
| -           | PHONIATRICS AND MUSICIANS' MEDICINE   | . 19 |
|             | PROFESSIONAL POLITICS IN PHONIATRICS  |      |
| -           | PHONIATRICS AND AUDIOLOGY - COOPERATION OF UEP AND IAPA                                 | . 2  |
| -           | THE COLLABORATION BETWEEN THE UEP AND THE WHO   | . 22 |
| - 1         | ROUND TABLE   | . 22 |
|             | PHONIATRICS & OTORHINOLARYNGOLOGY. A COMMON GOAL  |      |
|             | HOW CLIMATE AND ENVIRONMENTAL CHANGES WITH RESPIRATORY ALLERGIES CAN AFFECT VOICE       |      |
|             | PRODUCTION  |      |
| 1           | USEFULNESS OF LARYNGEAL ELECTROMYOGRAPHY IN DIAGNOSIS AND TREATMENT OF VOICE            |      |
|             | DISORDERS   | . 2: |
|             | ANATOMICAL AND BIOMECHANICAL ANALYSIS OF THE HUMAN RECURRENT LARYNGEAL NERVE            |      |
|             | EE COMMUNICATIONS   |      |
|             |   |      |
|             | HEARING DISORDERS   |      |
| ;           | SUCCESS IN COMMUNICATION AND SOCIAL PARTICIPATION – OLDER ADULTS WITH CI                | . 2  |

SUBMISSIONS TO  $28^{\text{TH}}$  CONGRESS OF THE UNION OF THE EUROPEAN PHONIATRICIANS (UEP) AND  $22^{\text{ND}}$  CONGRESS OF SOCIEDAD MÉDICA ESPAÑOLA DE FONIATRÍA (SOMEF)

BILBAO 2016

|  | MES AND EXPERIENCE OF THE SURGERIES OF CHRONIC SUPPURATIVE OTITIS I  |   |
|--|--|---|
